

The Romsey Show Partnership Packages

We very much value the relationship we have with our Partners and invite you to see how we can work together for everyone's benefit.

The Romsey Agricultural and Horse Show Society is a registered charity that exists to: “promote agriculture, forestry, horticulture, allied industries, rural crafts, the breeding of livestock including horses, and to encourage skill and industry in such enterprises”. We continually support the local community through education, charitable donations and community support. The Show Society has done this in Romsey town and surrounding areas since 1842, firstly in the town's Market Place and, since 1919, on the Broadlands Estate.

The annual show is held on the 2nd Saturday of September in a wonderful parkland setting which is still close enough for residents of Romsey to walk to.

Partnering with The Romsey Show is a great way to network with other businesses and your clients as well as a chance to promote your brand. By supporting the Show you are also supporting a large number of other local organisations that benefit from the event. These include local youth groups, countryside organisations, rural and community projects. Sponsorship covers the whole showground from the livestock and horse classes to larger marquees, tickets and car pass branding.
